Shutdown Semantics: Partial Failure Worked Examples

DATED	June 12, 2023	TYPE	Technical memorandum
ORIGIN	Directorate II	SITE	HALLOW
PAGES	7	CUSTODY	MERIDIAN

Worked examples of shutdown under partial failure, drawing on Vale's Directorate II notes and HALLOW Unit 9.

SUMMARY

A stop that requires total clarity about total failure will not stop in time.
Partial failure is the normal case.

REFERENCE

See also the Reversibility four-test battery and Unit 9.
